

Daniels Field Multipurpose Recreational Area – RFI #3

Questions:

1. What is the proposed project valuation?
2. Is the Contracting Firm required to attend the Pre-Bid Conference?

Answers:

1. Valuation = (approx.) \$700,000.00
2. Pre-Bid Conference attendance is not legally mandatory any longer. As the Architect of record though, I highly recommend the Contractor or an official representative of the firm attend this meeting to receive special instructions only attainable by attending this meeting.
